

Oregon Electric Vehicle Association

Greetings,

My name is Chase Ballew, and on behalf of the Oregon Electric Vehicle Association I'd like to invite your company to be a exhibitor / sponsor at "EV Fest 2015," scheduled for Saturday, August 15th at Pioneer Courthouse Square.

"EV Fest" (formerly EV Celebration Day) is the Oregon Electric Vehicle Association's annual event to raise public awareness around electric vehicles. The Square has an average of over 26,000 daily visitors and passersby, and we are looking forward to introducing those people to environmentally friendly electric vehicles and other related sustainable technologies, and are actively looking for exhibitors and sponsors interested in the same.

If this seems like something that is of interest to your company, then you will find attached a breakdown of sponsorship packages for exhibiting at EV Fest, along with a registration form. If these pre-made packages don't work for you, let me know and we'll find something that does.

Last year we introduced the option of OEVA Corporate Membership. Previously restricted to individuals, we now allow corporate entities to become dues-paying (non-voting) members of the OEVA. Corporate Members receive recognition throughout the year and are entitled to a discount on exhibition fees at OEVA-operated events, currently EV Fest and National Plug-In Day.

I hope you will consider joining us for this terrific outreach event. Should you have any questions please feel free to email me at: Chase.M.Ballew@gmail.com However please note that as a volunteer-driven 501(c)(3) non-profit, it may take a few days to receive a response.

Thank you for your time and your support for a sustainable future.

-Chase Ballew
