Dodge Brothers Motor Car

"You have read the specifications before, but you can well afford to read them again as a reminder of how fine the car really is:

"The passenger car that you have been dreaming about the Dodge Brother's new car is the car of the future. The design and engineering of the car are such that it will give you years of service and will always be in demand. The car is built to last, and it is designed to be almost indestructible."

"Dodge Brothers, Detroit"
